SUBJECT: Guatemala's Response to Demarche on Goldstone Report

REF: STATE 112828

(SBU) Poloff delivered reftel demarche on November 3 to Leila Villatoro, the MFA's Deputy Director for Multilateral Policy (United Nations). Villatoro admitted that she was not familiar with the Goldstone Report nor with the efforts of the Arab Group, the OIC, and others to present a related resolution for adoption by the Assembly on November 4 or 5. Villatoro said she would have to consult with the MFA's mission to the United Nations before she could say whether Guatemala is willing to join us in opposing possible elements in the resolution that we find objectionable.
